

Newton Sno-Sports

Our next meeting will be 9-14-17 at 7:30 at the Pack'er Inn. Thank you to all for everything you do all year round not just the week of the fair, the week the trails go up or down, meeting/ event planners, raffle ticket team, fair meetings, MCSA meetings, it takes a lot to keep the trails open. All year long. Thank you. When you see Todd Terp out and about please give him props for leading us into another successful fair. Thanks Todd for all the meetings, licenses, contracts, phone calls, complaints, checks and recheck. You did a great job.

The AWSC WORKSHOP is October 27-29 in Appleton at the Radisson. Check the AWSC web site for rooms, fees, presenters etc. Each cub is expected to show. The Miss Snowflake pageant will be held. Hats or tiaras off to our own Miss Becca Herzfeldt competing as the Manitowoc County Snow Queen. Good luck.

Our meeting agenda will include membership fee cost. Should it remain the same, be raised or pro rated for active & inactive members. We were advised 2 years ago it is one of the cheapest to join.

Do we need to order signs?

Elections will be coming up in November. We will need a vice president, secretary, treasurer & 2 board members, fair assistant & 2 event - entertainment planners. Please consider these opportunities. You will be assisted not on your own.

It is with great sadness we say good bye to past President and great active member of our club, Bill Eis. Ride On. Peace & prayers to all.
