Sports

Our next meeting will be 6/16/16 at "City Limits" at 7:30pm. We will have Fair information and Fair sign up with some tasty snacks. We will have bar tender applications ready BUT, you can go to City Hall and take care of it instantly with a swipe of your driver's license. Cooks are needed. If you have a grill and use it please don't be afraid to cook at the Fair. Last year we had to refuse business as we had no one to cook the sandwiches. Please go to the Manitowoc County Health Department website and click your way to Food Safety course, read through and take the test. It is requirement for every group in Mtwc County that provides food. Once you do that, you can use it forever more for any organization. You will not be alone cooking. A veteran will be paired to you. We need all shifts covered, morning, noon or night, weekday and weekend. Please help us.

Please follow updates and announcements on our web page at newtonsnosports.com, newtonsnosports@gmail.com, Facebook.
