

Newton Sno-Sports

Hello, the next fair meeting will be held at "City Limits" at 7:30 this Thursday 8/9/18. Please attend. We are in dire needs of cooks any day or night from 11am - close about 11pm or 12am on the weekend. You no longer have to take the county course & test although they want you to follow the guide book we have for food safety. It's the same as cooking on your grill at home. You won't be alone. Newbies will be paired to oldies. We will also need runners, wrappers bar tenders on all shifts. Please sign up. If you cannot work a full shift please give us your hours available. We're have to open. We're have to close it up. Car pool, have fun enjoy the bands. If you can not attend the meeting, please text or call Lisa 920-323-6776 or Doris 920-946-7856 with times & days that work for you. Please encourage club membership. The trails operate by volunteers. Volunteer with your friends. Thank you for taking time out of your schedule to make this happen. We can't do it without you! See ya there.....
